

Do you like **singing**? Would you like to develop your **skills**?
Would you like to sing alongside **talented friends**?
Cape Town Children's Choir might be for you!

DEVELOP A LIFE-LONG LOVE FOR MUSIC AND SINGING

Cape Town Children's Choir enables young singers to develop their musical skills in a positive environment and provides a place where they are surrounded by diverse and musically talented friends who strive for excellence.

If you are a child (unchanged voice) between the ages of 9 and 16 and would love to sing in a fun, stimulating environment with like-minded children then send our choir secretary, Helen Stabrey, an email at info@ctcchoir.co.za.

She would love to hear from you to set up an audition with the Choir Director (Bronwen Leith).

We rehearse on Fridays from 14:45 - 17:15 at Beau Soleil Music Centre, Kenilworth.
