

Entries are open for the Talento Singing Competition and this year the organizers promise that the competition will be even better and bigger.

The Talento singing competition is the brainchild of five music teachers, who, after lockdown, wanted to give learners the opportunity to perform in front of an audience in a theatre and thus also promote their self-confidence and talents.

In May 2023 the prelims will be held in Langebaan, as well as Bellville, Worcester and Paarl. The semi-final will be held at the Jamrock Theatre in Brackenfell and the final in the Barnyard Theatre in Tyger Valley Centre. A gala evening, where the overall winners will be announced, will take place in Stellenbosch at the Drostdy theatre.

In 2022 winners were announced in three age groups and more than 22 categories.

This year, participants will also be given the opportunity to enter with a video for the first round. The organizers also give participants the opportunity to enter their own composition, for which there are great prizes at stake.

At all three rounds, (Preliminary, Semi-final & final) all participants will receive a certificate. Aspiring singers will receive feedback after the elimination rounds, as well as the semi-finals, from competent, independent judges with knowledge in singing and the entertainment industry.

According to the organizers, there are many music competitions, but what puts Talento in a different league is that it should be an educational experience and that all participants should feel special.

We invite all aspiring singers and songwriters to participate in the most exciting Singing Competition in the Western Cape.

Please follow Talento on their Facebook page and Instagram for more information. The closing date is 21 April 2023. For more enquiries, contact Talent at:
